That partly depends on when we receive all our Phase I lab data. As you know, the labs are running behind. We work on getting you a tentative date for submitting the draft work plan in the next few days.

Subject: Phase 2 Work Plan

Hi Mike,

When are you expecting to submit the draft Phase 2 Work Plan? We'd like to put it on our calendar (and the TCT calendar) so that we can review in time for you to collect samples this summer as intended. Thank you,

Madi Novak, Remedial Project Manager
